Press Release

CG bags order of INR 111 crore from Indian Railways

Mumbai, November 23, 2017: Avantha Group Company CG has bagged an order of INR 111 crore from Indian Railways for Drive Propulsion System of Electric Loco at Chittaranjan Locomotive Works. CG's Drive Propulsion System comprises of IGBT based Traction converter, Auxiliary converter, TCN based Vehicle control unit and Driver Display Unit which helps to run trains efficiently at a higher speed with reduced energy consumption.

The order is significant to Indian Railways capacity enhancement plans and meets the demand for electric loco products with an emphasis on propulsion system. This opens up huge opportunities for CG especially in electric locomotives.

CG is an approved supplier of electrical products such as transformer, traction motors and drive propulsion system and has continuously focused on aligning itself with the requirements of Indian Railways. Besides catering to the regular and conventional equipment needs of Indian Railways in the field of rolling stock products, CG is also keenly working to meet the new technologically advanced emerging needs of Railways.
